21. Acknowledgement:

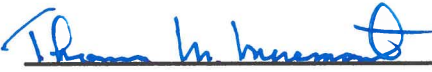

I acknowledge that private deed restrictions or covenants may exist on the subject property. I recognize that neither the Planning Commission nor its staff may consider such deed restrictions or covenants, if any, when determining approval or denial of an application, nor can the City or Parish enforce private deed restrictions or covenants. It is my responsibility as an Applicant to determine if any such deed restrictions and covenants exist on the subject property, and to be aware that violations of the same subject me and/or Property Owner to litigation from others.

I acknowledge that the Planning Commission makes the final decision on the approval or denial of this application. I also recognize I do not have a right to an approval, regardless of staff certification that the application meets ordinance requirements. A Public Hearing is required to be held and the Planning Commission will make the decision based upon all evidence presented at the meeting.

I understand that the application fee is nonrefundable. (Applications for public hearing items must be received by 10:00a.m. on the scheduled Application Deadline)

I understand that construction shall commence within one year of the approval date. Failure to commence construction within that period shall automatically render the Conditional Use Permit null and void. A permit for a Conditional Use authorizes only the particular use for which it was issued and such permit shall automatically expire and cease to be of any force or effect if such use shall, for any reason, be discontinued for a period of one year.

Application must be signed by both applicant and property owner if different. Letter of authorization must be submitted in absence of the property owner's signature or where an authorized agent signs in lieu of either property owner or applicant.
